Sharon,

Attached is what I was able to locate –

June 1, 2015 to May 31, 2016

June 1, 2016 to May 31, 2017

I was unable to locate copies of June 1, 2013 to May 31, 2014 or June 1, 2014 to May 31, 2015. It looks like there is temperature data summarized from 1984 to 2015 under the administrative record documents-

<https://www.epa.gov/npdes-permits/merrimack-station-administrative-record>

Not sure if that would help with some of the information request.

Please let me know if I can assist any further. I certainly will let you know if I come across the other two timeframes.

-Teresa
